### They Struck it Rich.

It was a grand thing for this community that such an enterprising firm as J. Jas. Wood & Son secured the agency for Dr. King's New Discovery for consumption, the wonderful remedy that has startled the world by its marvelous cures. The furor of enthusiasm over it has boomed their business, as the demand for it is immense. They give free trial bottles to sufferers, and positively guarantee it to cure coughs, colds, bronchitis, asthma, croup and all throat and lung troubles. A trial proves its merit. Price 50c. and \$1.

Col. Jack Chinn claims to have had Emma Goldman pointed out to him recently on a C. and O. train. He says she got on at Jersey City and was bound for St. Louis.

Charles Foster, colored, who attempted to assault an aged white woman at Vanceburg several months ago, was let off with a two-year term in the penitentiary by a jury in the Lewis Circuit Court. It is such trivial verdicts as this that causes the people to so often take the law into their own hands.

The examining trial of "Hack" Newman for killing Darius Moran was postponed Tuesday until 9 o'clock to-morrow morning.

A mill belonging to Morgan Hunter, at Poplar Plains, containing a large amount of grain, was destroyed by fire. Loss \$3,000; no insurance.

About seventy-five men at work on the excavation of the old tunnel near Carlisle struck Monday. Commissary extortion and shanty rent raise are the grievances.
